Your home...

...My priority

UPDATES, GREAT AREA!!!

This 1360-square foot beauty features a number of updates, new counters and new appliances in the kitchen, and the entire 1st floor has all brand new carpet. Big Family Room has a beautiful Fireplace. Private, Fenced backyard freshly landscaped. Lots of fresh paint, and new lighting throughout. New Carpet on the stairs, the landing and hallway on 2nd floor. 2-large bedrooms including a big Master with private bath. New faucets and fixtures, mirrors, lights. This townhome is a gem in a wonderful location that has great schools, great shopping, and great dining. You couldn't ask for a more complete living experience!
